

# NINO 200

## Expansion

**CompactFlash Card slot**  
Industry-standard slot for storage memory and additional features.

## Connectivity

**DC jack** for external power and recharging.

**High-speed I/O**  
RS-232 serial port.

## Communication

**Infrared (IrDA) transceiver (transfer information up to 115Kbps)**  
You can send files or messages to other Windows CE devices or synchronize with your notebook.

**Microphone**  
Unidirectional microphone and Voice Memo enable you to record ideas and reminders.

**Audio speaker**  
Lets you play back your sound files and voice memos. Low-power, front-facing speaker provides optimum audio out.

**Voice Recorder Quick Start button**  
Just press the button and talk into the microphone. Voice Recorder enables you to record ideas and reminders. With Windows 95 or 98 compatible sound compression, you can record up to 16 minutes per MB. You can even attach recordings to e-mail.

## Performance

**Power (battery compartment)**  
The Nino 200 runs for over 8 hours on an NiMH rechargeable battery pack (optional) or 2 AA batteries. (Battery life varies with usage.) Rechargeable, non-removable CR2025 lithium backup battery keeps data safe.

**Memory with room to upgrade**  
The Nino 200 comes with 8MB of memory standard. With CompactFlash memory cards you can expand the memory to over 48MB.

**High-performance 32-bit MIPS-based Philips RISC processor at 75MHz**  
Designed for fast access and high throughput of Windows CE applications.

## Ergonomics

**Backlit touchscreen display**  
The Nino display supports 4 shades of gray (320x240 pixels) and one-touch backlighting and contrast control. Large .24mm dot pitch for easy readability.

**Weight**  
Less than 8 oz./227 g.

**Stylus**  
Touch the screen and the Nino is at your command. Or use the Nino scroller mechanism, a unique scroll/enter feature.

**Indicator lights**  
Let you know when the Nino is charging and inform you when you have an upcoming appointment or task.

**Quick Start buttons (4)**  
You can jump-start your applications with the touch of a key. You can launch Voice Recorder, Calendar, Contacts, and Inbox. (Keys can be reassigned to launch any application.)

**Standard Features:**  
2 AA Batteries  
AC Adapter  
Nino to PC Cable

**Included Software** Microsoft® Windows® CE for Palm-size PC; Microsoft Pocket Outlook®; NoteTaker; Voice Recorder; Channels; Calculator; Solitaire.

**Optional Nino 200 Accessories** CompactFlash Memory Cards, Nino Dock, International Traveling AC Adapter, NiMH Rechargeable Battery Pack, Nino Traveling Case, and the Car Charger.

**Warranty**  
One year limited warranty.
