

NINO

500

NINO™ 500, THE PREMIER COLOR PALM-SIZE PC

The Nino 500 Palm-size PC, keeps you up-to-date when you're on-the-go. Access your important information with this lightweight, pen-based, Palm-size PC with the added clarity of a color screen. The Nino 500 is the innovative, efficient way to keep track of schedules, contacts, tasks, e-mail and Internet Information Services. Nino 500, the Premier Color Palm-size PC.

Transmissive Color Touch-Screen Display

The Nino 500 display supports 256 colors (320 x 240 pixels). Backlighting and contrast control ensure easy readability and brightness.

Automatic Synchronization and Rechargeable Battery Pack

Auto sync your calendar, contacts, and "to do" lists between the Nino 500 and any Windows® 95, Windows® 98 or Windows NT®, 4.0 device. While it syncs, the Nino automatically recharges its AA-size, Nickel-Metal Hydride (NiMH) battery pack (included with every Nino 500 model). With the Nino 500, you have everything you need at your fingertips.

Wireless Infrared (IrDA) Connectivity

With an integrated infrared transceiver, the Nino 500 communicates wirelessly with any other IrDA and Windows CE 95/98, or NT 4.0 device, including PCs, printers and mobile phones with built-in IRDA support.

Microsoft® Windows® CE and Additional Software

Microsoft Windows CE for the Palm-size PC:

- Pocket Outlook™ (Calendar, Contacts, Tasks, Inbox)
